

TOMOKA OAKS GOLF & COUNTRY CLUB FEBRUARY 25TH, 2008

UPDATES:

BENCHES, BALL WASHERS & BUNKERS:

This month we painted all the benches on the course, repaired several ball washers and edged the bunkers. We hope you like the improvement. Thanks to Mike and the crew for making things look better on the course!

SOCIAL COMMITTEE: We had a great Sadie Hawkins Valentine's Dinner and Tournament last month and hope you will come out and support our Can-Am Tournament & St. Patrick's Day Tournament next month. A March dinner will be planned for the latter part of the month!

PROJECT PROGRESS: St. John's Water Management District sent back 3 additional comments on our permit and our engineer has scheduled a meeting with them on Feb. 27th to see if we can be issued our permit as those comments are addressed. The estimates for infra-structure and building materials is almost complete and we should have prices for the first five units by mid-month. The next set of tennis courts will be painted with skid proof paint. Thanks for your patience!

ROPE REMINDER: Please remember to keep carts outside of the ropes, even if they are down. Help us to keep the course in great shape for you and your guests!

HANDICAP CORNER

Time For Kudos: Every now and then I believe that it serves us well to stop and remember where our benefits come from. In the case of our handicaps, the revision sheets appear regularly just before the 15th and last days of each month – just like magic! However, it isn't magic as there are many fingers in the pie along the path to these revisions. First, our thanks should go to Bob Provancher who does the actual manipulation of the computer software – and has done so for some time now. Larry Lee has stepped up to the plate to do a large portion of the data entry and is backing up Bob Provancher. And to make their tasks easier, many of you are using the member-input capability of the handicap software to enter your scores and thus reduce the amount of time that Bob and Larry need to devote to that effort. And to round out these thoughts, it takes each of us to monitor the scoring of each other to assure the validity, accuracy and completeness of the scores entered – and as a result to assure the fairness of the handicaps produced and the integrity of the USGA Handicap System itself. I thank all of you for your contributions.

MATCH POINTS

By Michael Sanders, Director of Tennis

As you have probably noticed, the Tennis Department has recently painted portions of the courts. Thank you for your patience during these maintenance procedures. This will enhance the overall look and player safety.

A St. Patrick's round robin/demo day is scheduled for Saturday, March 15th. Make sure to mark your calendars early and plan to attend wearing green. Play will be from 10:00am – 12:00pm with a lunch to follow. See the Pro Shop for more details.

We are planning a bus trip to Amelia Island for the Bausch and Lomb Championships on Thursday, April 10th. The cost is \$50 per person and you must pay a \$25 deposit in advance to reserve your spot. We plan to leave from the Wal-Mart parking lot at 8:00am and
